## Just Bluffing It

IPCNC CONFERENCE  
ASCOT PARK HOTEL  
INVERCARGILL, NZ  
23-25 NOVEMBER 2022

## CALL FOR ABSTRACTS

The Infection Prevention & Control Nurses College (IPCNC), New Zealand conference organising committee invites submissions for oral and poster presentations for the biennial conference to be held in Invercargill from 23-25 November 2022.

Our conference theme “*Just Bluffing it*” refers to both our southern roots and the many metaphorical bluffs, mountains and valleys we have encountered over the past 2 years and will continue to experience in the foreseeable future. Our signpost incorporates some of the many qualities that IPC nurses display in their profession particularly when meeting new challenges. IPCNC especially wishes to invite and encourage new IPC practitioners to submit abstracts.

This is an ideal opportunity to share your challenges, experiences, innovations, knowledge and your successes with other IPC and healthcare professionals.
