

The Infection Controlla: AGM Report 2022

By Anne-Maree Wagg

Publications this year:

- **July 2022**
- **November 2022**

Unfortunately, this year I only managed two issues of the Controlla. Content included the usual sections: committee reports, conference info, pandemonium, and education sections and feedback. We were also lucky to have a few other articles of interest. Though the Historic Corner as not featured this year, I hope to see this return next year.

Thank-you so much for those of you who contributed and look forward to next year's Controlla issues.

Publications for Next year:

- **Feb/March 2023 (final submission date)**
 - ✓ **Introducing new committee members**
 - ✓ **Feedback from Conference**
 - ✓ **Your stories**
- **Jun/July 2023**
- **November 2023**

I am hoping 2023 will see many of our IPCNC members stories of working within their practice. 😊
