New Zealand represented at ACIPC

From 16th - 19th Nov Around 20 NZ Infection Preventionists attended the Australian IP conference. Strong themes were around: Sustainability Water safety IP in Aged residential care Management of vascular devices

Measles cases rise

Measles is a serious and highly contagious disease. Since September 2025 there have been a number of measles cases reported across Aotearoa New Zealand. Now is the time to check that your immunisations are up to date for you and your whanau.

IPCNC Fundamentals of IPC

The programme consists of nine learning modules completed via distance learning, supported by an experienced IP mentor. The practitioner will need to commit to around 60 hours of study over 4 months.

COST: IPCNC NZNO members \$600 Non-IPCNC members \$800.
